Amenities

Only the finest amenities and conveniences
make the Riverwalk feel like a resort.

Riverwalk features the finest in amenities and conveniences. A complete fitness center with TV's. Outdoor swimming pool and jacuzzi, garages and even a dry cleaning service make Riverwalk a resort like experience.

Exercise Room

Open 24 hours a day. Catch the morning news as you work out and watch TV or just look and enjoy the river view. The exercise room features state of the art equipment, so why go to the gym when you can just work out at home!

River Views

The Riverwalk Apartments are located directly on the Hudson River. There is a walking path directly below Riverwalk to relax and stroll to enjoy the river views. The location is nothing short of spectacular, with majestic boats passing by and cool breezes drifting from the river. Riverwalk is removed from major highways so the only noise you'll here is the gentle sound of water along the river's edge.

Relax Poolside

Our pool and jacuzzi directly overlook the River. Riverwalk was specifically designed to give a resort like feel to our residents. But just don't take our word for it, visit and find out why Riverwalk is so popular!
